Join Marjorie Simmins for a one day seminar on Memoir Writing at National Historic Site Thinkers Lodge in Pugwash, Nova Scotia

"A terrific tale. The urgency and passion of her prose makes this memoir such gripping reading. At the heart of her story is the unfolding of an extraordinary love affair between her on the Pacific Coast and, 4000 miles east on the Atlantic, fellow writer Silver Donald Cameron."

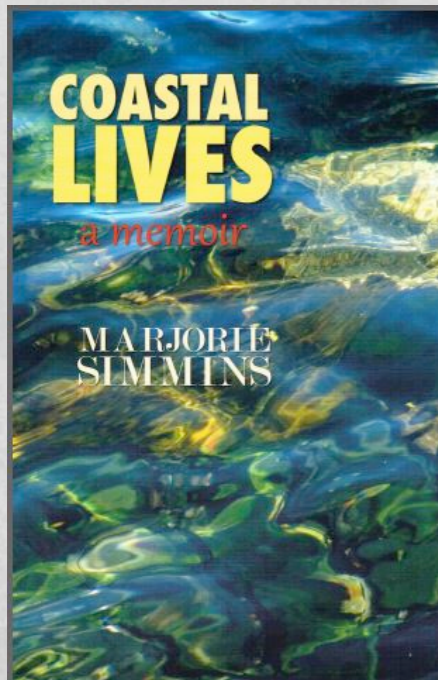

Harry Bruce, Halifax, NS.

"Brimming with heart, wit, and perceptive detail, this affecting memoir is a testament to the power of words and lure of the sea. Settle in for a warm, poignant and intimate story."

Lorri Neilsen Glenn, Halifax, NS.

"Utterly engaging, irrepressible and courageous, this unforgettable memoir will 'torment' you (as Cape Bretoners say) from first page to last. A masterly example of the form."

Andreas Schroeder, Vancouver, BC.
